The 1974-75 Varsity Gymnastics Team, which is made up of 5 seniors and 6 juniors has shown great strides of improvements. The team, as a whole, worked to put together a very strong team. Of the 9 individuals that went to Districts, 7 made it to sectionals. Some outstanding accomplishments this year, were producing 2 conference champs and winning one-third of all the medals at the conference meet which contained 6 schools. Coach Simone feels that this has been his most satisfying season.

State Wrestling Champs

Jim Cizek — 98 lbs.

Terry Mulrenin — 119 lbs.

1

2

The Varsity wrestling team struggled through a bad season, record-wise, winning five duals and losing 11. Through the many ups and downs of the year, two young men stayed at the top. They were Jim Cizek, 98 lbs. and Terry Mulrenin, 119 lbs. For the first time in the history of Oak Lawn wrestling, OLCBS had two state champions in the same year, Jim and Terry!!

Jim, as a junior, was undefeated in 32 matches capped off with his State Championship. He pinned 14 opponents during the year, won the Hinsdale Holiday Tournament, took 1st in the District and Sectional Tournaments and shared Most Valuable Wrestler honors with Terry for the season. Jim entered the National Junior Free-style Tournament in Denver, Colorado, and placed 6th. He has all the desired qualities for a good wrestler; speed, desire, skill, conditioning, and knowledge. He should win the State as a Senior.

Terry is a senior and had to fight back on several occasions to win his State title. He won the Hinsdale Holiday Tournament for the third time in a row (only the second wrestler to do so) and was named most valuable for the tournament. He placed 1st in the District and 2nd in the Sectional Tournament. In the State Tournament he pinned one of four opponents en route to his State title. His pin and he and Jim's wins gave OLCBS a 2nd place which has happened only once before, (1959). Terry also wrestled in the tournament in Denver, Colorado, and placed 8th. He has one of the fastest duckunders ever seen which helped him win many of his 26 victories.

1. Two State winners with their proud coach.
2. Mr. Lynch holding the trophy of victory.

The only thing left for us is graduation, the final moment the past four years have built up to. All the trials and tribulations of making new friends and forgetting old ones, and all the other pains of growing up will become past experiences. As the school doors close behind us that night we can look back and say it was worth it, and we still have these memories to cling to . . .

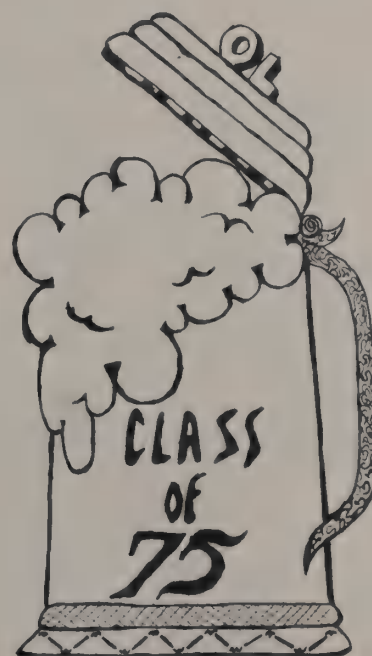

our reflections.

74-75 Yearbook Staff "Reflections"

The 1975 Yearbook Staff was a real experience!!! Except for the second and last deadline the office was very calm and mild. As those two deadlines approached total bedlam set in and I constantly had to reach for the little blue pill! Everyone pitched in when necessary except it was hard finding "GAJ" once in a while, like most of the time. "MUL" was always there when needed and really deserved the MOST OUTSTANDING AWARD. "DAN" was our "DON JUAN" who spent more time romancing than on his pages, while his poor sister got stuck typing all the time. This year I can not be accused of being a Male Chauvinist, as all the girls can attest for they did get to go on the Carribean Cruise this year! "HUGHIE" kept trying to take pictures, but always had a hard time holding the camera still but he got his pages in on time. Tho there were many ups and downs, the book ended on the hill of excellence for it is one of the best ever produced at O.L.C.H.S.

Reflections on the water, like shadows in my mind,
Speak to me of passing, days and nights, and passing time.
The falling leaves are whispering, winter is on its way,
I close my eyes remembering, the warmth of yesterday.
It seems a shame to see September, swallowed by the wind,
And more than that, it's oh so sad to see the summer end.
And though the changing colors are a lovely thing to see,
If it were mine to make the change, I think I'd let it be.
